Modification of Mail Classification Schedule  
for Country Price List for International Mail

Docket No. MC2012-17

ORDER APPROVING MINOR CLASSIFICATION CHANGE  
CONCERNING TIMOR-LESTE

(Issued May 23, 2012)

The Postal Service seeks to establish a separate country code listing for the Democratic Republic of Timor-Leste (Timor-Leste) in the Country Price Lists for International Mail pursuant to the rules for minor classification changes in 39 CFR 3020.90 and 3020.91.<sup>1</sup> The purpose of the change, which is scheduled to become effective June 24, 2012, is to reflect Timor-Leste's independence from Indonesia. Notice at 1.

<sup>1</sup> Notice of United States Postal Service of Classification Changes, May 7, 2012 (Notice); see *also* Notice and Order on Postal Service Request for Minor Classification Change Affecting Country Price List (Timor-Leste), May 9, 2012.

The Public Representative supports application of the referenced rules and the specified change.<sup>2</sup>

The standard of review, assuming the change qualifies as minor, is whether it is “not inconsistent with 39 U.S.C 3642.” See 39 CFR 3001.90. The Commission finds the change is minor and that the articulated standard is satisfied; it therefore accepts the classification change. It will make conforming revisions to the draft Mail Classification Schedule.

*It is ordered:*

1. The proposed addition of the Democratic Republic of Timor-Leste to the Country Price Lists for International Mail is in accordance with 39 CFR 3020.90 and 3020.91 and is not inconsistent with 39 U.S.C. § 3642.
2. The Commission will make conforming revisions to the draft Mail Classification Schedule based on Attachment 1 of the Notice.

By the Commission.

Secretary
